“ At no expense to my business, I benefit from support, protection and have safeguards in place for employment law, food hygiene standards, health and safety, protection of my alcohol licence, age restricted sales and tax investigations.

NFRN Legal and NFRN Legal Plus remove the complexities allowing me to get on with running my business.

P.S. I claim my NFRN membership fee of £5.75pw plus VAT through claimable business expenses allowance in my tax returns. “

NFRN LEGAL PLUS

The smart on-line document system enables customers to create even complex legal documents with ease.

EMPLOYMENT

Employment law is always changing and good employment practice has become complicated, the only way to protect your business is to make sure you have the right policies and paperwork in place.

You can create many useful legal and business documents such as employment contracts, employee handbooks, job descriptions, appraisal forms etc.

HEALTH & SAFETY

Complying with Health and Safety legislation is compulsory, but the complexity of the law can be daunting and non-compliance can result in heavy fines.

NFRN Legal Plus offers an extensive portfolio of Health & Safety Checklists to ensure you follow your statutory obligation as a retailer and an employer.

PROPERTY

You can create a lease or licence agreement on-line for your commercial property and access guidance and other documents to make renting and managing residential property easy.
